

2013-14 Statewide Two-Day Trainings

Autism Spectrum Disorders (ASD)

Presenters

Judy Endow is an author and international speaker on a variety of autism-related topics. She is part of the WI-DPI Statewide Autism Training project and a board member of the Autism Society of America-WI Chapter and the Autism National Committee. In addition, Judy works with the Autistic Global Initiative (AGI), a program of the Autism Research Institute. Judy maintains a private practice in Madison, providing consultation for families, school districts and other agencies. Besides having autism herself, she is the parent of three grown sons, one of whom is on the autism spectrum.

Mary Graczyk-McMullen is an experienced teacher, trainer, and nationally recognized consultant. She has worked with and supported individuals on the autism spectrum for over 30 years. She is a primary developer and core trainer for the WI-DPI Statewide Autism Training Project for 25 years. Mary also works as an adjunct instructor at Cardinal Stritch University and the University of St. Thomas. She is currently in private practice, providing consultation and professional training to families, numerous school districts, and community agencies.

Kate McGinnity is an experienced classroom teacher, trainer and author as well as a nationally recognized consultant in the field of autism. She has over 30 years experience working in the field of autism. She is currently involved in private practice providing training and consultation to professionals and parents as well as collaborating, counseling and yoga to individuals on the autism spectrum. Kate has been a core trainer and developer for the WI-DPI Statewide Autism Training project for over 25 years. She is the co-author of multiple books and DVDs on autism.
